School Cash Online Important Updates

September 4, 2018

Thank you to all parents who signed up for School Cash Online in 2017-18 and made a commitment to pay for school fees and items online. 75% of Bruce-Grey Catholic District School Board students were registered last year and the time savings experienced by school staff were remarkable. Your commitment has allowed for:

- a safer school environment
- more productivity in the classroom
- greater efficiencies in the administrative office
- increased participation in school activities and events

As we start the new school year, please be aware that School Cash Online will be used for the following:

- Online payment for fees and activities– anytime, anywhere
- Distributing email notifications regarding school fees and events
- Distributing and submitting permission forms electronically **“NEW”**
- Making donations to your school and immediately receiving a charitable tax receipt **“NEW”**

If you registered your child last year, you do not need to do anything to continue using School Cash Online. If your child has transferred to a new school within our Board, again nothing is required. School Cash Online will automatically transfer your child to the new school.

Email notifications will begin early in the new school year.

If you have not already signed up, **please sign up today.**
