July 2011

God,
Some people take for granted the good things
about life: like the sun, the air we breathe, and our
green forests.
Some people don't notice that when we destroy
these things we destroy ourselves. God help us
preserve our natural beauty.
Amen

RELAY FOR LIFE

Canadian Cancer Society
Société canadienne du cancer

Survivor Walk

Sacred Heart hosted their second Relay for Life on Saturday June 4, 2011 at Sacred Heart High School.

There were 20 teams made up of students, staff and parents, not to mention all the parent and former student volunteers.

Some may have thought that the wind and rain might have deterred these students...but no they were resilient... just like the fight for cancer needs to be. The storm for opening ceremonies symbolized the upheaval one's life is thrown into with the diagnosis of cancer. The sun coming out in the afternoon to warm not only our physical bodies but our souls, represented the inner strength that one needs to have to fight cancer. I am very proud of the students of Sacred Heart High School for their Relay.

Congratulations to an awesome team!

The Relay raised a little over \$17 000 for the Canadian Cancer Society.

Many thanks to all the participants, the volunteers, the committee, businesses and the community for all their support in making this an awesome event. *Submitted by Mrs. Hicks*

Mark Dunn - CWOSSA McNally Award Recipient

Each year the Central Western Ontario Secondary Schools Association (CWOSSA) recognizes individuals within their districts who have promoted athletics and supported student-athletes through their involvement in school sport at the local, district, and regional levels. Mark Dunn, physical and health education teacher at Sacred Heart High School, Walkerton, is one of two recipients of the 2010-2011 CWOSSA McNally Award for the Bluewater Athletic Association. Mark coaches multiple sports - volleyball, basketball, track and field - at Sacred Heart High School. He has convened both volleyball and basketball at the district level and served as convener for the CWOSSA "AA" Boys Basketball Championships. Mark's past and present involvement in high school athletics is an excellent example of the Ontario Federation of School Athletic Associations' (OFSAA) philosophy: "education through school sport."
